To facilitate hands-on skills development and enable you to complete some of the labs in this course, we are providing you with a special feature code for IBM Cloud.

This feature code will enable you to either create an IBM Cloud account without a credit card, or extend the validity of your existing IBM Cloud trial.

Please check the box and click on the Open tool button below to obtain a unique Feature Code and copy it. You will be able to apply it using the instructions that follow in a subsequent lab in the course.

**NOTE:** If you have already applied your IBM Cloud feature code in another course/lab to create an IBM Cloud account or extend its trial, please skip this item, as the code can only be used once.

Obtain an IBM Cloud Feature Code

Steps to Create IBM Cloud Account

To facilitate hands-on skills development and trials, you will need to obtain a feature code for IBM Cloud.

This feature code will enable you to either create a new IBM Cloud account or extend the trial of an existing account.

Please check the box and click on the Open Tool button to receive your feature code. You will then receive instructions that follow in a subsequent lab in the course.

**courses.ictacademy.skillsnetwork.site says**

Click OK to have your username and e-mail address sent to a 3rd party application.

Click Cancel to return to this page without sending your information.

OK Cancel

We are providing you with a special feature code that will allow you to verify the validity of your existing IBM Cloud account or create a new one. You will be able to apply it using the Open Tool button. You will then receive instructions that follow in a subsequent lab in the course.

**NOTE:** If you have already applied your IBM Cloud feature code in another course/lab to create an IBM Cloud account or extend its trial, please skip this item, as the code can only be used once.
